The Missouri Judiciary

The Missouri Judiciary – or third branch of government – provides Missouri citizens a stable, fair, and accessible system of justice for the resolution of disputes. Each year, Missouri courts resolve more than 750,000 cases. Municipal divisions resolved 686,845 cases in FY23 relating to traffic and city ordinances. The judicial branch of government employs people dedicated to serving the citizens of Missouri.

The Missouri Judiciary – one of three co-equal branches of government – provides Missouri citizens a stable, fair, and accessible system of justice for the resolution of disputes.

The FY25 appropriation to the Missouri Judiciary totals just 2% of the statewide General Revenue.

**The vast majority of that appropriation pays the salaries of court personnel
in local communities across the state.**

Approximately 3,500 judicial employees represent the face of justice for Missourians who walk into our courthouses or access our services online. The Missouri Judiciary is, at its heart, a branch of people – court clerks, marshals, court reporters, juvenile officers, trial judges, and others who work to ensure the justice system serves the needs of our citizens. We continually strive for efficiency using technological innovation, but we need to retain experienced employees and recruit top-quality replacements to maintain public trust and confidence and to fully discharge our statutory and constitutional obligations.

Within the circuit courts, cases are grouped and heard in divisions by type, such as circuit, associate circuit, family, juvenile, municipal, probate, and small claims. Cases typically start in the circuit court and may be appealed to one of the three appellate districts, potentially ending up at the state supreme court. Some types of cases brought to the courts include divorce, bankruptcy, and civil rights. Criminal cases filed by prosecutors and cases challenging the constitutionality of state laws or the use of governmental power are other types of cases heard.

While the judiciary has effectively used existing resources to fulfill its role, additional resources are needed to further the priorities that will ensure **continuing stability, fairness, and accessibility**.

Fiscal Year 2026 and Supplemental Fiscal Year 2025 Budget Priorities

The Missouri Judiciary's FY26 and supplemental FY25 funding priority areas are:

\$20.1M	Compensation
\$9.4M	Protection and Administration of Justice
\$3.8M	Supreme Court Building and Library
\$176,869	Marijuana Initiative implementation
\$8.8M	Providing Critical Services and Essential Functions

Support Public Service

For the last few years, excluding the FY21 pandemic year, the legislature and governor have appropriated and the judiciary has implemented, salary increases for judiciary staff consistent with the goals of its classification and compensation study. For FY25, the legislature and governor's appropriations provided for significant progress toward salary goals. The judiciary's 21st Century

Workforce compensation plan moves staff toward target – or market – salary goals, and improves recruitment and retention with much of the focus on the lowest paid staff and reducing salary compression. Staff whose positions are established by statute (e.g., circuit clerks) and were not a part of the salary study should receive a comparable increase.

Missouri judges' salaries are based upon the salaries of their federal counterparts under the Missouri Citizens Commission on Compensation for Elected Officials and Article XIII, section 3 of the Missouri Constitution.

Funding is also requested to create a Chief Deputy Clerk for the Western District Court of Appeals from an existing position.

Additionally, the 39th Judicial Circuit (Lawrence, Stone, and Barry counties) is requesting a treatment court commissioner based on the judiciary's weighted caseload. Personal services and expense and equipment in the amount of **\$168,796** are needed.

Budget Request:

1. Appropriate **\$1,150,054** for fiscal 2026 for salaries for judges to match the projected federal salary increase of 1.7% plus \$3,696,472 for the FY 2019-2022 increases.
2. Appropriate **\$113,190** for fiscal 2026 for salaries for commissioners, the Clerk of the Supreme Court, and counsel for the Commission on Retirement, Removal and Discipline to match the projected federal salary increase of 1.7%.
3. Appropriate **\$87,153** for increases to court reporter salaries based on years of service per SB 103 passed in the 2023 legislative session.
4. Implement the 21st Century Workforce compensation plan to raise salaries of staff to target – or market – for the Circuit Courts and Office of State Courts Administrator for a total of **\$14,875,030** and also request **\$30,692** to continue the increase for juvenile detention staff to include a 1% pay raise for every two years of service for employees in juvenile detention facilities, capped at 10% for 20 years of service.
5. Appropriate **\$168,796** for 1.0 FTE and E&E for a treatment court commissioner for the 39th Judicial Circuit (Barry, Lawrence, and Stone counties), based on the judiciary's weighted caseload.

Protect the Public and Court Staff and Effectively Administer Justice

To effectively administer the pretrial release of defendants from custody, reasonable assurance of court appearances and public safety is needed. Pretrial administrators would be located in circuits based on workload. The Office of the State Courts Administrator

would serve as a central office providing the public safety assessment score. Funding of **\$1,217,057** is requested for 26 FTE and expense and equipment.

The primary responsibility of pretrial services programs is to supervise people on pretrial release when required by the court. Court-ordered supervision may include court date reminders, phone or in-person check-ins, and periodic criminal history checks.

Increased bed capacity and 29 full-time equivalent detention juvenile officers, detention aides and other support staff are needed at juvenile detention centers in the 26th Judicial Circuit (Camden,

Laclede, Miller, Moniteau and Morgan counties) and 13th Judicial Circuit (Boone and Callaway counties) in the amount of **\$2,007,834**. To maintain secure juvenile detention centers, mental health contractors and security contractors also will be needed in the amount of **\$5,193,360**. This total request is for **\$7,201,194** and 29 full-time equivalent (FTE) staff. A core reallocation of **\$1,000,000** from specific treatment courts is moved into E&E serving all types of treatment courts.

Budget Request:

1. Appropriate **\$1,217,057** and 26 FTE for the pretrial program.
2. Fund **\$7,201,194** for 29 FTE and expense and equipment for secure juvenile detention centers.
3. Reallocate **\$1,000,000** E&E from specific treatment courts into E&E serving all types of treatment courts.

Repair the Supreme Court Building and Library to Serve Future Generations

Like the Missouri State Capitol and Governor's Mansion, the Supreme Court is one of the historic buildings in the Capitol Complex. Built with proceeds of the 1904 World's Fair in St. Louis and opened in 1907, the building now welcomes more than 20,000 visitors each year. Due to age and usage, repairs and restoration for each floor are needed, and restoring the building to its original historical look is desired. Specific projects would include painting, plaster and wood restoration, a historical study of the building, cleaning and restoration of the original tile mosaic floors, electrical upgrades, and other safety and structural replacements and improvements.

The 6,000 square foot Supreme Court Library is designated as the state law library by statute. The library needs repair to falling plaster and its historic ceiling and laylights. In addition, the library is a central feature of the numerous tours given to school children and other Missourians throughout the year. To provide more substantive content, the Court would use the money to upgrade tours via interactive teaching tools to help educate visitors about not only Missouri history, but also the fundamentals of the rule of law.

Budget Requests:

1. **\$1,636,398** for library renovations and a judicial learning center
(\$1,636,398 requested for supplemental FY25, and \$1,636,398 requested for FY26).
2. **\$2,168,112** for building restoration of the Supreme Court Building (\$2,168,112 requested for supplemental FY25 and for FY26).

In the past decade, public confidence in the courts and the rule of law has eroded faster than ever before. Most people don't have much idea what we do or how we do it, and much of what they think they know is wrong. If we want the public to know what we know – and they have to, for the rule of law to survive and for the judicial system to work – then it's up to us to teach them. We have to educate the public about their justice system.

- Paul C. Wilson, Chief Justice, Supreme Court of Missouri

Marijuana Initiative Implementation

An initiative petition to amend Article XIV for the right to access marijuana was passed in November 2022. The petition created a constitutional obligation to automatically vacate certain marijuana-related offenses and also required the expungement of certain marijuana-related records within a specified timeframe.

The projected costs for redaction software, and information security and maintenance for expungements requires an additional \$176,869 in E&E. Costs began in FY23 and continue into FY26.

Provide Critical Services and Essential Functions of the Missouri Court System

Provides public access to more than 27.53 million open court case records including docket entries, parties, judgments, charges in public court and virtual hearing information.

In the first half of 2024, more than 3.22 million filings were made, saving counties, municipalities and parties millions in postage, paper, labor and storage.

Funding is necessary to replace computer equipment damaged from an electrical event June 29, 2024, at one of the judiciary's datacenters. The electrical event compromised our computer systems and eliminated our technical redundancy, leaving the judiciary with reduced technical operational capacity and requiring all technical operational activities to occur at the remaining datacenter.

The damaged equipment was vital for the continuity of services provided by the Missouri court system, including but not limited to Case.net, the Missouri Electronic Filing System and the statewide case management systems. The loss of these computer resources not only hampers day-to-day functions but also reduces our ability to ensure on-going services for our justice partners, judiciary staff and the citizens of Missouri. Replacing the damaged equipment is crucial for restoring our full operational capabilities and providing adequate redundancy to ensure uninterrupted services.

In addition, \$3,805,036 is needed for ongoing information security and maintenance for the case management system.

Budget Request:

1. Appropriate **\$2,989,111** from the General Revenue Fund (ongoing) plus **\$2,000,000** from the Court Automation Fund (ongoing) for the FY26 budget.
2. Appropriate **\$3,805,036** for information security and maintenance.

Fiscal Year 2026
Judiciary Budgetary Needed but not Requested

HB Section	Decision Item	Description	Funding Source	Dollar Amount	FTE
Circuit Courts	Access to Justice Interpreter Services - Civil Cases	In addition to the Federal Executive Order 13166 and the U.S. Department of Justice policy guidelines that state courts must provide interpreting and translating services to non-English speaking individuals who use the court system in order to have meaningful access to the courts, Section 476.803 RSMo requires courts to appoint a qualified language interpreter in all legal proceedings in which a non-English speaking person is a party or a witness.	General Revenue	\$324,565	
Circuit Courts	Secure Juvenile Detention Center Standards	Secure juvenile detention staffing is based on the CCBC staffing guidelines for secure detention centers. This represents the staff that are currently funded by the circuits.	General Revenue	\$599,306	12.90
Supreme Court and Court of Appeals	Law Clerks to Senior Law Clerks	This request is to fund Law Clerks at the Senior Law Clerk level (Western District \$77,157; Eastern District \$119,960; Southern District \$15,045; Supreme Court \$93,000).	General Revenue	\$305,162	
Court of Appeals	Chief Legal Counsel for Western District Court of Appeals	The Western District Court of Appeals is requesting one FTE for a Chief Legal Counsel. The addition of Chief Legal Counsel would put the Western District in parity with the Eastern District, which has a Clerk of Court, Chief Legal Counsel, and Staff Counsel.	General Revenue	\$107,224	1.00
Office of State Courts Administrator	Federal Fund IV-D core replacement with General Revenue	In FY17 the legislature moved personal services from general revenue to the federal fund to have the judiciary spend down the fund balance. The federal fund balance is now at a level that can no longer sustain the personal services. This request is to replace that core funding for 21 FTE reallocated from the federal fund to general revenue.	General Revenue	\$1,206,236	
Court of Appeals	21st Century Workforce - to Target	The judiciary's goal is to fund salaries at a competitive range to maintain an experienced and productive workforce. This would raise salaries of the employees of the Court of Appeals whose current salary is below their target. (Western District \$78,544; Eastern District \$310,735; Southern District \$43,694).	General Revenue	\$432,973	
Supreme Court	21st Century Workforce - to Target	The judiciary's goal is to fund salaries at a competitive range to maintain an experienced and productive workforce. This would raise salaries for employees whose current salary is below their target.	General Revenue	\$103,555	
Circuit Courts	New Circuit Judges - Section 478.330 RSMo	When the annual judicial performance report submitted pursuant to Section 477.405 RSMo indicates for three consecutive years a need of two or more full time judicial positions, there shall be one additional circuit judge position authorized subject to appropriation. Five circuits qualify for a new circuit judge: 13th (Boone and Callaway Counties), 19th (Cole County), 21st (St. Louis County), 24th (Washington, Madison, St. Francois and Ste. Genevieve), and 25th (Maries, Phelps, Pulaski and Texas Counties). A court reporter is included with each circuit judge. The amount was calculated with the FY26 estimated judge salary and the July 1, 2024 court reporter starting salary.	General Revenue	\$1,295,370	10.00
Circuit Courts	Attorneys for Juvenile Offices	Supreme Court Operating Rule 29, which became effective on January 1, 2014, states "those juvenile officers and their staff who are not licensed to practice law in this state shall not engage in the practice of law". This rule requires an attorney to represent the juvenile office in any action before the court and many juvenile offices are not funded by their counties to provide adequate representation that meets the requirements of Supreme Court Operating Rule 29.	General Revenue	\$4,187,850	23.00
Circuit Courts	Juvenile Officers	Juvenile staff recommendations are based on the weighted workload. The numbers below represent needs based on the JuvWWL and Support Staff guidelines.	General Revenue	\$921,163	15.04
Circuit Courts	Juvenile Caseload Management	The Circuit Court Budget Committee, along with the National Center for State Courts, developed the Missouri Juvenile Weighted Workload (JWWL) to establish appropriate staffing levels per circuit for juvenile case processing. Fulfilling this need would add 6.85 Juvenile Administrative Support II's.	General Revenue	\$312,545	6.850

The Supreme Court building is one of the historic buildings in the Capitol Complex. It was built with the proceeds of the 1904 World's Fair in St. Louis and opened in 1907. The building was built to not only house the offices of the Attorney General and the Supreme Court, but to also provide a residence for the judges when they stay in Jefferson City. The building is open to the public and more than 20,000 visitors tour the building each year. Due to the age and usage, repairs and restoration are needed for each floor of the building. In addition, work to restore the building to its original historical look is desired. Specific projects would include a historical study of the building, plaster repair, painting, wood restoration, cleaning and restoration of the original tile mosaic floors, electrical upgrades, and other safety and structural replacements and improvements.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

According to the state's vendor for the compensation study, organizations that want to stay competitive in the marketplace "strive to compensate employees at the median of the competitive labor market". Obtaining a competitive pay structure will help the judiciary reduce turnover and meet its goal to maintain a more experienced and productive workforce. Pay increases for judiciary staff in FY17, FY19, and FY20, and for court clerks in FY18 and FY20 have improved the judiciary's effort to remain competitive in the workforce. However, in FY18, only court clerks received an increase, and in FY21, no staff received increases. Progress has been made with the appropriations in FY22, FY23, FY24 and FY25 to move salaries closer to target, but additional funding is needed to reach the target levels under the study. Currently, the vast majority of judiciary staff remain below their market-based competitive salary. This hinders the judiciary's efforts to remain competitive in recruiting and retaining an experienced workforce.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAPP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

The judiciary's goal is to fund salaries at a competitive range to maintain an experienced and productive workforce. This would raise salaries for employees whose current salary is below their target.

Since statutory staff were not included in this request, statutory staff would need to be included in a statewide pay plan.

5. BREAK DOWN THE REQUEST BY BUDGET ACCOUNT CLASS, JOB CLASS, AND FUND SOURCE. IDENTIFY ONE-TIME COSTS.

2. THIS REQUEST CAN BE CATEGORIZED AS:

Pay Plan

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

According to the state's vendor for the compensation study, organizations that want to stay competitive in the marketplace "strive to compensate employees at the median of the competitive labor market". Obtaining a competitive pay structure will help the judiciary reduce turnover and meet its goal to maintain a more experienced and productive workforce. Pay increases for judiciary staff in FY17, FY19, and FY20, and for court clerks in FY18 and FY20 have improved the judiciary's effort to remain competitive in the workforce. However, in FY18, only court clerks received an increase, and in FY21, no staff received increases. Progress has been made with the appropriations in FY22, FY23, FY24, and FY25 to move salaries closer to target, but additional funding is needed to get to the target levels under the study. Currently, the vast majority of judiciary staff remain below their market based competitive salary. This hinders the judiciary's efforts to remain competitive in recruiting and retaining an experienced workforce.

2. WHY IS THIS SUPPLEMENTAL FUNDING NEEDED? INCLUDE THE FEDERAL OR STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

Funding is required to replace computer equipment that was damaged due to an electrical event on June 29, 2024 at one of the judiciary's datacenters. The electrical event compromised our computer systems and eliminated our technical redundancy, leaving the judiciary with reduced technical operational capacity and requiring all technical operational activities to occur at the remaining datacenter. This request is from the General Revenue Fund.

2. WHY IS THIS SUPPLEMENTAL FUNDING NEEDED? INCLUDE THE FEDERAL OR STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

Funding is required to replace computer equipment that was damaged due to an electrical event on June 29, 2024 at one of the judiciary's datacenters. The electrical event compromised our computer systems and eliminated our technical redundancy, leaving the judiciary with reduced technical operational capacity and requiring all technical operational activities to occur at the remaining datacenter. This request is from the Court Automation Fund for ongoing maintenance and support.

3. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFF fiscal note? If not, explain why.)

4. BREAK DOWN THE REQUEST BY BUDGET ACCOUNT CLASS, JOB CLASS, AND FUND SOURCE.

2. WHY IS THIS SUPPLEMENTAL FUNDING NEEDED? INCLUDE THE FEDERAL OR STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

Like the Capitol and Governor's Mansion, the Supreme Court building is one of the historic landmarks within the capital city. The building, which is older than the Capitol, houses a 6,000 square-foot library that is designated as the state law library by statute (Chapter 180). This feature of the Court needs repair to falling plaster and work on its historic ceiling and laylights. In addition, the library is a central feature in the numerous tours given to school children and other Missourians throughout the year. In order to provide more substantive content, the Court would use this money to upgrade the tours via interactive teaching tools to help educate visitors on not only Missouri history, but also the fundamentals of the rule of law.

3. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why.)

The costs include Professional Services \$537,903; Computer Equipment \$57,815; Office Equipment \$57,815; and Property and Improvements \$982,865.

2. WHY IS THIS SUPPLEMENTAL FUNDING NEEDED? INCLUDE THE FEDERAL OR STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

The Supreme Court building is one of the historic buildings in the Capitol Complex. It was built with the proceeds of the 1904 World's Fair in St. Louis and opened in 1907. The building was built to not only house the offices of the Attorney General and the Supreme Court, but to also provide a residence for the judges when they stay in Jefferson City. The building is open to the public and more than 20,000 visitors tour the building each year. Due to the age and usage, repairs and restoration are needed for each floor of the building. In addition, work to restore the building to its original historical look is desired. Specific projects would include a historical study of the building, plaster repair, painting, wood restoration, cleaning and restoration of the original tile mosaic floors, electrical upgrades, and other safety and structural replacements and improvements.

3. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why.)

The costs for building restorations are Professional Services \$457,164 and Property and Improvements \$1,710,948.

2. CORE DESCRIPTION

Article V, section 25(d) of the Missouri Constitution establishes the duty of the Appellate Judicial Commission as nominating candidates for vacancies on the Supreme Court of Missouri and the Missouri Court of Appeals. This constitutional mandate includes the election of an attorney to serve on the commission, conducted in one of the three districts of the Missouri Court of Appeals on a rotating basis, every two years. The most recent election was conducted in FY22, and the next election will be in FY24. The commission meets only when a vacancy occurs and it is necessary to make nominations to the Governor. Commission members do not receive salaries, but funds are needed to pay travel and operating expenses necessary for the work of the commission.

2. CORE DESCRIPTION

The court improvement projects' core budget provides the appropriation authority to accept and expend a variety of grants and other monies for programs and services provided to the public by the Missouri judiciary. The grant programs are focused on fulfilling mandates and developing new ways to make the judicial branch more effective and responsive to the needs of Missouri citizens. Initiatives promote safety for Missouri families by addressing specific problems such as improved processing of child abuse and neglect cases and automation of criminal history information and adult protection orders.

2. CORE DESCRIPTION

Judicial education serves to orient employees to a complex set of laws and procedures, all of which must be understood and followed if litigants are to have their cases resolved fairly and expeditiously. Judicial education plays a major role in updating the knowledge and skills for over 5,000 state, county and municipal judicial branch employees, which includes front-line workers such as juvenile officers, detention workers and court clerks, and to municipal division employees. The judicial employees have no other means to acquire the information to discharge day-to-day job responsibilities. Judicial education packages courses and programs of study that are tailored to meet the specific needs of new as well as experienced court personnel. These courses and programs are designed to satisfy standards mandated by federal and state statute and Supreme Court Rules.

2. CORE DESCRIPTION

The constitutional provisions establishing the parameters and responsibilities of the Missouri judicial system reflect the basic recognition of the need for a fair and timely system of justice for Missouri citizens. The Missouri Constitution charges the Missouri Court of Appeals, Western District, with appellate and original jurisdiction over cases that arise in 45 counties of northern, central, and western Missouri. In addition to its headquarters in downtown Kansas City, the Western District regularly holds court in locations throughout its 45 counties including Missouri Western State University; University of Central Missouri; Westminster College; William Jewell College; William Woods University; Truman State University; University of Missouri, Kansas City; the University of Missouri, Columbia; Northwest Missouri State University; Columbia College; and Lincoln University. On average, the Western District hears cases at 10-15 traveling dockets per year. Twelve of the state's 21 correctional institutions are located in the Western District, which results in a large percentage of the writs regularly filed by inmates. In addition, Cole County is within the geographical jurisdiction of this court. Hence, appeals include virtually all cases for expedited elections matters, the Public Service Commission, the Labor and Industrial Relations Commission, the Administrative Hearing Commission, the Missouri Department of Transportation, and the Missouri Gaming Commission. Many of these appeals involve review of complicated and complex evidentiary and legal issues, requiring a great deal more judicial time than the average appeal. A total of 2,756 motions were filed in the Western District in FY 2024. Many of these presented novel, vexing, and unique problems because the center of state government and most of the state's correctional institutions are located in the Western District.

2. CORE DESCRIPTION

The constitution and statutes of Missouri confer upon the Missouri Court of Appeals, Eastern District jurisdiction over 25 counties and the City of St. Louis containing 41 percent of the state's population. All citizens within this area have an automatic right of appeal from all final judgments in civil and criminal cases to the Eastern District, except those within the exclusive jurisdiction of the Supreme Court. The court hears 47 percent of all appeals filed in the state. The Eastern District includes six correctional facilities containing more than one-third of the state's inmate population and five centers run by the Missouri Department of Mental Health creating a continuing source of petitions for writs and appeals. The court has an extensive outreach program, and its judges travel to schools and community organizations all over the Eastern District to discuss and educate about appellate practice and the law. In addition, to improve access, the court itself endeavors to hold sessions of court not only at its main location in downtown St. Louis, but at more than 30 different courthouses and schools throughout the Eastern District, including Southeast Missouri State University, Lindenwood University, St. Louis University, Washington University, Jefferson College, Warren County, Montgomery City, and many other locations. In addition, the court sits regularly twice a year in Hannibal and Cape Girardeau.

2. CORE DESCRIPTION

The constitution and statutes of Missouri confer upon the Missouri Court of Appeals, Eastern District jurisdiction over 25 counties and the City of St. Louis containing 41 percent of the state's population. All citizens within this area have an automatic right of appeal from all final judgments in civil and criminal cases to the Eastern District, except those within the exclusive jurisdiction of the Supreme Court. The court hears 47 percent of all appeals filed in the state. The Eastern District includes six correctional facilities containing more than one-third of the state's inmate population and five centers run by the Missouri Department of Mental Health creating a continuing source of petitions for writs and appeals. The court has an extensive outreach program, and its judges travel to schools and community organizations all over the Eastern District to discuss and educate about appellate practice and the law. In addition, to improve access, the court itself endeavors to hold sessions of court not only at its main location in downtown St. Louis, but at more than 30 different courthouses and schools throughout the Eastern District, including Southeast Missouri State University, Lindenwood University, St. Louis University, Washington University, Jefferson College, Warren County, Montgomery City, and many other locations. In addition, the court sits regularly twice a year in Hannibal and Cape Girardeau.

2. CORE DESCRIPTION

The constitution and statutes of Missouri confer upon the Missouri Court of Appeals, Southern District, general appellate jurisdiction and general superintending control over all courts and tribunals within a 44-county territory across southern Missouri, as well as jurisdiction to review actions of administrative agencies as provided by law. The district's territory includes more than 38 percent of all counties of the state. By law, the southern district has seven judges, which is less than 22 percent of all judges of the court of appeals. The district's principal offices and courtroom are in the city of Springfield, Greene County, but it also has chambers and a courtroom in Poplar Bluff in Butler County in order to fulfill its duties under section 477.220, RSMo, to hold sessions of court in Poplar Bluff. The southern district endeavors to provide greater public access to the court's proceedings by holding oral arguments at schools, courthouses, and other sites throughout the district. At times, the court holds special sessions of oral arguments at schools, courthouses, and other sites around the district to increase public access to the court and its proceedings. The special sessions usually include an educational program to advance public understanding of the rule of law and the role of the courts in government. When fully staffed, the southern district has 38 employees (37.6 FTE), seven of whom are judges. Court staff support the work of the court across many functional areas, including legal, clerical, fiscal, human resources, facilities management, information technology, library, and security. Like any organization, the court's effectiveness depends on its people, so it is imperative that the court is able to compete in the modern labor market to attract and retain qualified and experienced individuals who share the court's commitment to excellence in public service.

2. CORE DESCRIPTION

The constitution and statutes of Missouri confer upon the Missouri Court of Appeals, Southern District, general appellate jurisdiction and general superintending control over all courts and tribunals within a 44-county territory across southern Missouri, as well as jurisdiction to review actions of administrative agencies as provided by law. The district's territory includes more than 38 percent of all counties of the state. By law, the southern district has seven judges, which is less than 22 percent of all judges of the court of appeals. The district's principal offices and courtroom are in the city of Springfield, Greene County, but it also has chambers and a courtroom in Poplar Bluff in Butler County in order to fulfill its duties under section 477.220, RSMo, to hold sessions of court in Poplar Bluff. The southern district endeavors to provide greater public access to the court's proceedings by holding oral arguments at schools, courthouses, and other sites throughout the district. At times, the court holds special sessions of oral arguments at schools, courthouses, and other sites around the district to increase public access to the court and its proceedings. The special sessions usually include an educational program to advance public understanding of the rule of law and the role of the courts in government. When fully staffed, the southern district has 38 employees (37.6 FTE), seven of whom are judges. Court staff support the work of the court across many functional areas, including legal, clerical, fiscal, human resources, facilities management, information technology, library, and security. Like any organization, the court's effectiveness depends on its people, so it is imperative that the court is able to compete in the modern labor market to attract and retain qualified and experienced individuals who share the court's commitment to excellence in public service.

2. CORE DESCRIPTION

Article V, section 1 of the Missouri Constitution establishes the circuit courts as the trial court system of the state. Per statute, there are 46 circuits each composed of one to five counties. The circuit court is organized into divisions: circuit, associate, family, juvenile, municipal and probate. The state is required to pay the salaries of most circuit court personnel excluding municipal division employees. Salaries set by statute make up a large portion of the total personal service dollars requested. Sections 478.017 and 485.090, RSMo, require the state to pay case-related travel expenses for judges and court reporters. State funding for interpreters for the hearing impaired and those who speak a foreign language that are parties or witnesses in a criminal proceeding is required by §476.806, RSMo. In addition, the state is responsible for some legal and other necessary expenses as designated in statute.

2. CORE DESCRIPTION

Article V, section 1 of the Missouri Constitution establishes the circuit courts as the trial court system of the state. Per statute, there are 46 circuits each composed of one to five counties. The circuit court is organized into divisions: circuit, associate, family, juvenile, municipal and probate. The state is required to pay the salaries of most circuit court personnel excluding municipal division employees. Salaries set by statute make up a large portion of the total personal service dollars requested. Sections 478.017 and 485.090, RSMo, require the state to pay case-related travel expenses for judges and court reporters. State funding for interpreters for the hearing impaired and those who speak a foreign language that are parties or witnesses in a criminal proceeding is required by §476.806, RSMo. In addition, the state is responsible for some legal and other necessary expenses as designated in statute.

2. CORE DESCRIPTION

Article V, section 24(2) of the Missouri Constitution requires the retirement of a judge who is found to be unable to perform his or her duties because of permanent sickness or a physical or mental infirmity. Under article V, section 24(3) of the Missouri Constitution, a judge may be reprimanded, disciplined, suspended or removed for misconduct or incompetence in office. Under Missouri Supreme Court Rule 12, the Commission on Retirement, Removal and Discipline must investigate all complaints and requests except those which are obviously unfounded or without merit. The commission consists of two citizen (non-lawyers) appointed by the Governor, two lawyers appointed by the governing body of the Missouri Bar, one judge of the court of appeals chosen by a majority of the court's judges, and one circuit judge selected by a majority of the state's circuit judges. The number of judges under the commission's jurisdiction is approximately 750. An administrator/counsel, a part-time investigator and clerical support enable the commission to perform its constitutional responsibilities.
